Whitsunday Crocodile Safari Day Tour ex Airlie Beach

TAKE A TRIP ON THE WILD SIDE!

Nowhere else in Queensland can you experience so much in one location. Whitsunday Crocodile Safari offers guests a unique Australian nature experience in natural habitat. Explore the unique tropical environment of the Whitsunday coastline as you experience the wildlife and vegetation in the estuaries and wetlands.

Whitsunday Crocodile Safari Day Tour with Return Coach Transfers from Airlie Beach

The natural attractions of the Whitsunday region do not end at the reef and islands. Local estuaries and wetlands stretch inland from the coast, to Proserpine River. This habitat is home to many species of native birds, mammals, reptiles and marine animals, including about 150 estuarine crocodiles.

Highlights

- Enjoy a barbecue lunch and experience the unique tastes of traditional Billy Tea and fresh cooked Damper.
- Explore a mangrove ecosystem and observe the inhabitants including birds, fish and crustaceans.
- Meet our local experienced guides and enjoy their professional expert commentary.
- Cruise the calm waters of Proserpine River and watch estuarine crocodiles in their natural habitat.
- Explore Goorganga Plains on a tractor-drawn wagon train and discover the vegetation and wildlife in a freshwater wetland habitat.
- Meet some interesting Aussie characters on your tour like Boofhead the crocodile.

The River Cruise

The vessel River Runner is launched everyday and guests are welcome to watch the action as it is lowered by crane into Proserpine River. Once onboard, the calm water adventure cruise begins. While seated in complete safety and comfort, investigate a marine mangrove ecosystem. Observe estuarine (saltwater) crocodiles in their natural habitat. About 150 "Salties" inhabit Proserpine River and its surrounds. Other wildlife is abundant in the mangroves and be fascinated by some of the characters meet and their unique behaviours. The guides attempt to catch the famous Queensland mudcrab each day and provide guests with an entertaining insight into their features and fascinating lifecycle, before releasing the crabs back into Proserpine River.

The Wetlands

Explore Goorganga Plains on a tractor-drawn wagon train and discover the vegetation and wildlife in a freshwater wetland habitat. The friendly local guides deliver professional expert commentary during the tour to help understand more about the nature and country. Marvel at the many species of flora and fauna and experience unique Australian habitats including melaleuca forests, pastures, marine mangroves and salt pans which fringe the Proserpine River.

The Tucker

Learn about the history of damper and billy-tea as the guides prepare them fresh for you onsite every day. Once you know the secrets of the recipes and the tricks of the trade, you can see just how good they taste as you sample some traditional Australian "bush tucker". The guides also prepare the delicious BBQ lunch onsite while you relax in comfort at the covered and well equipped campsite.
