SEA LIFE Sunshine Coast Aquarium Entry Ticket

No trip to the Sunshine Coast is complete without visiting SEA LIFE Sunshine Coast. Previously called Underwater World, this aquarium is a multi-award winning, all weather visitor attraction. Take a fascinating journey from the coast to the ocean depths and get up close to over 10,000 creatures including one of Australia's largest collections of jellyfish. Meet our rare weedy sea dragons, our famous resident seals and over 20 species of shark and rays. With lots of different fun aquarium talks and animal feeds, including our family favorite Seal Presentation, there's plenty for everyone to enjoy at SEA LIFE Sunshine Coast.

SEA LIFE Sunshine Coast Entry Ticket

Habitat Zones

With 11 themed zones, visitors have the opportunity to explore a unique underwater world at SEA LIFE Sunshine Coast. Get hands on in the Tidal Touch Pools, enjoy the wonder of Seahorse Sanctuary, catch the famous Seal Presentation at Seal Island and don't forget to help us Find Dory.

- **Ocean Tunnel**
Explore the depths of the ocean as you walk beneath the 80 meter long Ocean Tunnel. View sharks, rays, reef fish, sawfish and much more! With over 8 species of sharks and brand new Grey Nurse Sharks being back, sharks are definitely a favourite for most people visiting SEA LIFE Sunshine Coast. So don't miss out and come and see the Jawsome Sharks!
- **Seal Island**
Something 'fishy' is happening on Seal Island at SEA LIFE Sunshine Coast! The amazing Seal Presentation is full of surprises and maximum seal-iness! As if there wasn't already enough fun at Seal Island with daily presentations you can get even closer! Discover the true sight, smell and sound of the seals through the fun and educational interactives located in the lower seal viewing as you watch and learn about the resident seals.
- **Tidal Touchpool**

Discover the amazing marine animals in the Tidal Touch Pools! Roll up your sleeves! Get your hands wet in the interactive touch pool display. See and touch an array of marine life that can be found in local tide pools, including beautiful sea stars, sea cucumbers and much more. Tidal Touch Pool offers an interactive experience, where the expert education team are on hand to teach you all about the wonders of marine life.

- **The Octonauts**

Back by popular demand explore the amazing world of the Octonauts and play your part helping the crew on brand new underwater missions! Explore a mysterious cave with Captain Barnacles and sound the Octo-Alert to light-up the amazing creatures living inside. Join Kwazii on a thrilling chase to reclaim his long-lost treasure and search the shipwreck for yourself to find the real creatures hiding inside.

- **Coastal Wreck**

Discover the amazing and mysterious Coastal Wreck, and learn about the many species that inhabit the coral reefs around Australia. Australia's oceans are rich with marine wildlife, and here, amongst a shipwreck environment you can discover a variety of animals which are found in Australia's coastal waters such as the Lionfish, Eels, the Common Octopus and other tropical fish.

- **Finding Dory and Friends: The Experience!**

Created with Disney•Pixar, the new experience features interactive magical moments from the box-office smash hit, Finding Dory. Throughout the interactive journey at Sea Life Sunshine Coast, a Pipe Pals trail will guide and surprise with tales of amazing underwater animals, leading guests into Dory's Reef.

- **Jellyfish Kingdom**

Jellyfish Kingdom features fascinating jellyfish species to encounter. Did you know that jellyfish have lived in oceans for over 650 million years? That means they're older than dinosaurs and even sharks! See these majestic animals up close, marvel at their infinite colours, graceful motion and ghost-like forms.

- **Lower Seal Island**

Have a close look at the playful seals underneath the water. This is the best way to really watch their agility, speed and natural behavior under water.

- **Seahorse Sanctuary**

Meet the some of the most amazing marine creatures in the world right here in Seahorse Sanctuary. Have a close look at the Weedy Sea Dragons and Pot-bellied Seahorses. Be entranced by their delicate movement. Be mesmerised by their courtship dances; and be wowed by these wonders of nature!

- **Freshwater Streams**

Get to know the creatures in the Freshwater Streams zone - some of these creatures are all freshwater and all unique in their own special way. Meet some of the long-term residents, as they cruise near the surface, patrolling the exhibit.

- **Shipwreck Shores**

Shipwreck Shores is a three-level indoor play zone featuring a themed twisty slide, climbing frames and fun obstacles. The shipwreck-themed structure, which is included in the admission price is guaranteed to keep the kids entertained for hours. Real life shipwrecks provide rich new habitats for creatures to grow, and like them, the shipwreck themed playground is a place of fun and adventure, if you look hard enough you may discover hidden natural wonders!

- **Billabongs**

Get up close and personal with the giant Barramundi, and have a good look at them underneath the surface. There is heaps to see at Billabongs, including Mertens' water monitor and much more!
